Publisher's note regarding paper

Liu Jing, Li Xiangyang, Zhang Weipeng Thickness shear vibration of a ZnO film structure covered with magnetic fluid. *Journal of Vibroengineering*, Vol. 20, Issue 2, 2018, p. 872-880, <https://doi.org/10.21595/jve.2018.19318>.

The description of the correction

The title of affiliation was wrong in the paper finally approved (after the acceptance) by the authors.

Incorrect affiliations:

¹Piezoelectric Device Laboratory, School of Mechanical Engineering and Mechanics, Ningbo University, Ningbo, Zhejiang, 315211, China

²Magneto-electronic Laboratory, Nanjing Normal University, Nanjing, 210023, China

^{2,3}School of Mechanical and Electrical Engineering, Ningbo Dahongying University, Ningbo, Zhejiang, 315175, China

Revised affiliations:

^{1,2,3}School of Mechanical and Electrical Engineering, Ningbo Dahongying University, Ningbo, Zhejiang 315175, China

¹Piezoelectric Device Laboratory, School of Mechanical Engineering and Mechanics, Ningbo University, Ningbo, Zhejiang 315211, China

²Magneto-electronic Laboratory, Nanjing Normal University, Nanjing 210023, China
